

THIS IS WHERE YOU PLUG IN.

No smartphone can create the moment you finally shake hands with a connection you know you should meet. And it can't give you the real inside perspective on important economic issues facing our region.

We plug you into the people that matter. Chamber mixers and events make it easy to connect, meet new people, make contacts and build relationships.

For information on all Chamber events subscribe to our e-newsletter by calling **250.383.7191** or email chamber@victoriachamber.ca to sign up today.

WE STAND UP FOR YOU.

Don't like the new tax regulations? Think amalgamation might be a smart idea? When you let us know how you feel, we let "them" know. We do it armed with the facts and we say it with a credible voice. The Chamber brings business issues to the forefront and works to encourage and facilitate change. We are the true voice of business in Victoria and our continued advocacy and policy development supports our members and the community at large.

STIMULATING BUSINESS DEVELOPMENT.

Together with the Greater Victoria Development Agency (GVDA), The Chamber supports the growth of local businesses. The GVDA is a catalyst for region-wide collaboration with governments, industry and other influential business organizations, such as VIATeC and Tourism Victoria. We work with top local employers to determine issues affecting job retention and creation in the region. And we're always finding ways to attract new investment and businesses to Greater Victoria.
